VICTORIAN WASTE & RESOURCE  
RECOVERY (WARR) FORUM

1 MAY 2024

MCEC MELBOURNE, VICTORIA

---

## ABOUT THE FORUM

Following the success of the Waste Management and Resource Recovery Association's inaugural Victorian Waste and Resource Recovery (WARR) Forum in 2023, the event is returning to Melbourne in 2024 to continue the discussion on the opportunities and challenges that lay ahead for the Victorian waste and resource recovery industry on its path to achieving targets set out in *Recycling Victoria: a new economy*.

2023 was a busy year for Victoria - from the extension of the single-use plastics ban to the rollout of the State's Container Deposit Scheme (CDS), and the planned introduction of a four (4) service system - there's a lot of activity underway, but what's next, and will it be enough to hit the 2030 targets set out in *Recycling Victoria*?

## WHY SPONSOR

Sponsorship of the Victorian WARR Forum will provide the opportunity to gain exposure and help raise awareness of your business, products and services. - Build brand recognition and generate awareness
- Showcase and profile your organisation among influencers and key decision makers in a unique and targeted environment
- Establish new and reinforce existing relationships within the industry
- Show your support for the Victorian waste and resource recovery sector
