

WASTE MANAGEMENT AND RESOURCE RECOVERY ASSOCIATION OF AUSTRALIA SPONSORSHIP PROSPECTUS

AUSTRALIAN LANDFILL & TRANSFER
STATIONS (ALTS) CONFERENCE
21-23 OCTOBER 2026
PULLMAN BRISBANE, QLD

ABOUT THE 2026 ALTS CONFERENCE

The Waste Management and Resource Recovery Association of Australia's (WMRR's) second major conference of 2026, the Australian Landfill and Transfer Stations (ALTS) Conference, will be held in Brisbane from the 21-23 October.

Landfills and transfer stations play an essential role in an integrated waste and resource recovery (WARR) industry, providing facilities for materials aggregation and separation, recovery, and final disposal, as well as being critical in times of disaster - both natural and pandemic.

Landfills in modern WARR management systems are vital to industry's success, playing a fundamental role in protecting human health and the environment. Even at the highest levels of resource recovery there is a need to dispose of some residual wastes safely.

Transfer stations play a significant role in the management and movement of material, something that will be increasingly more obvious in large metropolitan areas with limited land available for WARR infrastructure. The need for these to be well planned and serve multiple purposes is a real opportunity to support broader industry and the community.

Sensible infrastructure planning, and continued improvement and innovation in design, operation, regulation, and safety, are all paramount for these facilities to continue to deliver the essential services and support they offer.

The 2026 ALTS Conference, #2026ALTS, will provide a forum to share knowledge and discuss opportunities, pathways, and models to drive that improvement and innovation. Participants will have the opportunity to share their expertise and knowledge, showcase their ideas, learn from industry experts and network with their industry peers.

WHY SPONSOR

Sponsorship of the 2026 ALTS Conference will provide the opportunity to gain exposure and help raise awareness of your business, products and services. Your organisation will benefit from access to delegates of all levels of Government and peak providers from within the waste and resource recovery industry.

- Build brand recognition and generate awareness
- Showcase and profile your organisation among influencers and key decision makers in a unique and targeted environment
- Establish new and reinforce existing relationships with the industry
- Differentiate your brand from others in the marketplace
- Promote your organisation to a large number of individuals in the lead up to and during the conference
- Launch new initiatives and products
- Interact with delegates face-to-face during the breaks and at the conference dinner

For all sponsorship enquiries and bookings please contact WMRR Events on 02 8746 5055 or email events@wmrr.asn.au

Benefit from access to delegates from of all levels of Government and peak providers from within the waste and resource recovery industry.
